Dear Patient:

We would like to take this opportunity to welcome you to Pain Medicine Institute and are happy to have the opportunity to serve you. We pride ourselves on trying to make your medical care and treatment a pleasant experience.

Attached you will find the new patient health history and information forms. We ask that you please fill these forms out completely to the best of your ability and bring them along with you to your first appointment. Please make sure to bring your insurance card/s and ID so we may obtain a copy of them. If you were involved in a motor vehicle accident, please be sure to have your claim information with you.

We strive to make sure all patients receive the best treatment and to do this we will need copies of your previous treatment records and most importantly copies of reports from any MRI or CAT scans that you have had. Please make sure to bring these with you.

We look forward to serving you.

Sincerely,

The Pain Medicine Institute Staff
